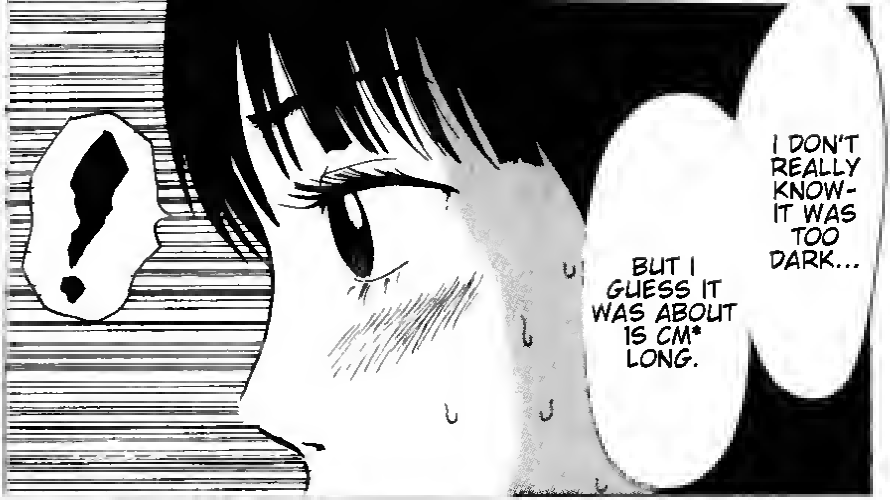
HEHEHE,
THERE'S NOTHING MUCH TO TALK ABOUT WHEN IT COMES TO A MAN.
SO HOW WAS IT? TELL ME!!

AFTER SCHOOL YESTERDAY,
MY BOYFRIEND FOLLOWED ME TO GO SHOPPING FOR SOME COSMETICS,
AND HE SAID ON THE WAY HOME!
LIKE, "HOW ABOUT COMING TO MY HOUSE?"
AW, AW!
HE SAID, "THERE'S NO ONE AT HOME."
THAT'S WHEN I FELT A SIGNAL 'PING!"

SO I WENT TO HIS ROOM... AND WE SAT SHOULDER TO SHOULDER ON THE BED,
UM, UM.
THE AIR WAS SLOWLY TURNING HOT,
HE SUDDENLY PUSHED ME DOWN, AND ASKED,
C...CAN I GO AHEAD?
SERIOUSLY!?

I REALLY WANT TO HEAR ABOUT HIS COCK!
...WHAT ABOUT THE COCK?

YOU'VE GOTTA BE KIDDING!
IT ALONE MADE ME FEEL SOO GOOD, AND,
HE GAVE ME AN AWESOME DEEP KISS FIRST,
SO, SO WHAT?!
JUST SKIP TO THE COCK PART!!
I COULDN'T CARE LESS ABOUT IT!
AND--
UM, UM.
THEN, HE RUBBED MY BOOBS..
UH...
YES!!
HOW BIG WAS IT?
AH, HEY, HEY,
IT TOOK ME SOME TIME TO PUT ON A RUBBER ON HIM...



I DON'T REALLY KNOW- IT WAS TOO DARK...
BUT I GUESS IT WAS ABOUT 15 CM* LONG.

Afterword Manga

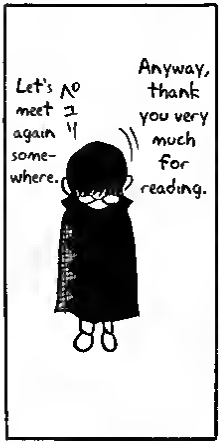
Oshikko's rants
I've been spilling a lot of things, you know, lately...
Good evening, my name is Oshimi.
Nice to meet you.
When I draw manga, I spill my ink.
When I eat dinner, I spill my miso soup.
And because that happens so often...
I don't even get upset about it anymore.

While drinking at a pub with friends a few days ago...

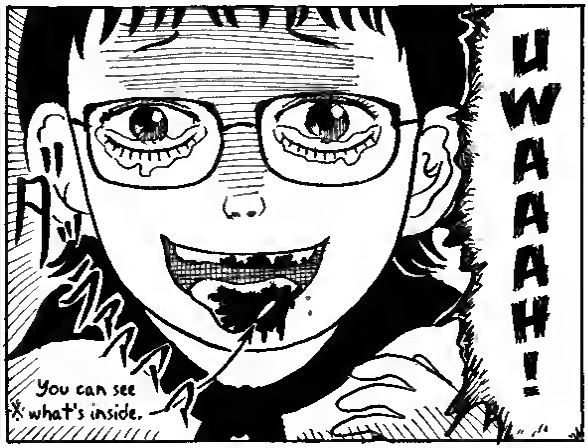
Also, I...
...tend to bite my tongue while eating.

Uh...

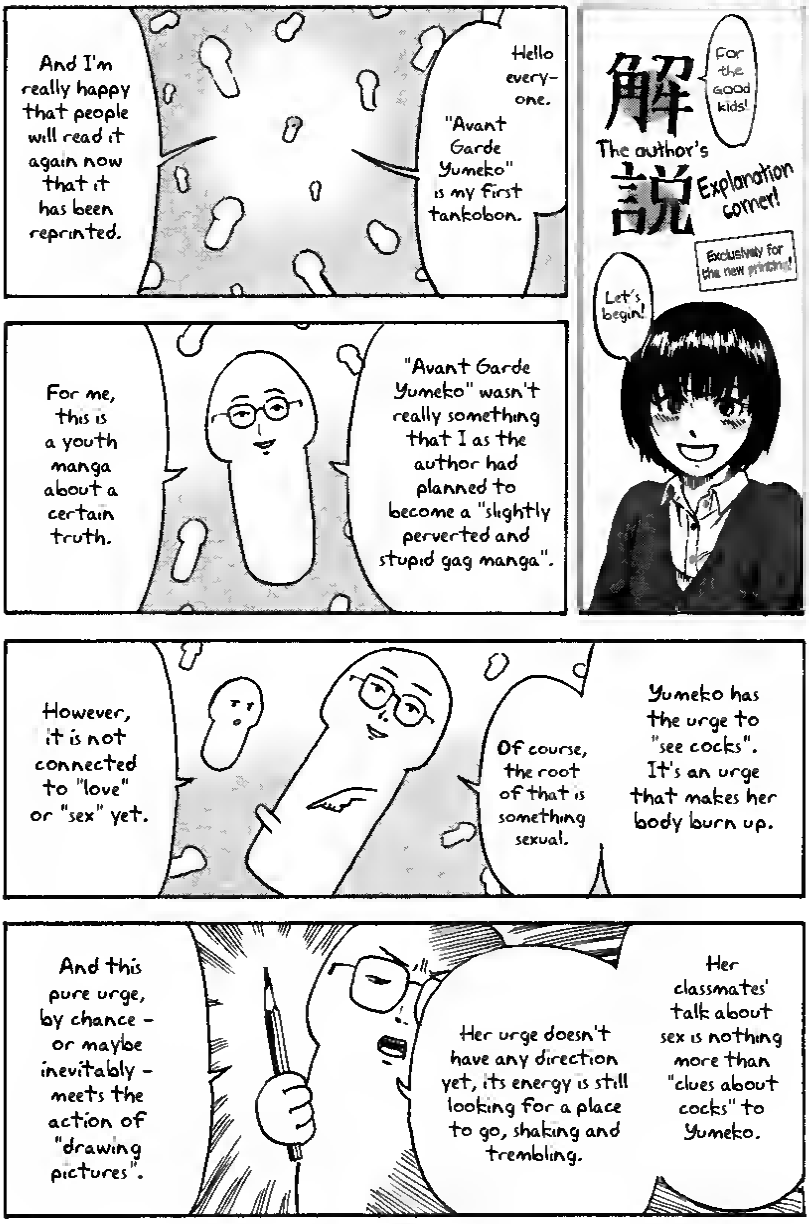
Hey, Oshimi, what's wrong?
Harsh pain was running slowly through my whole body.



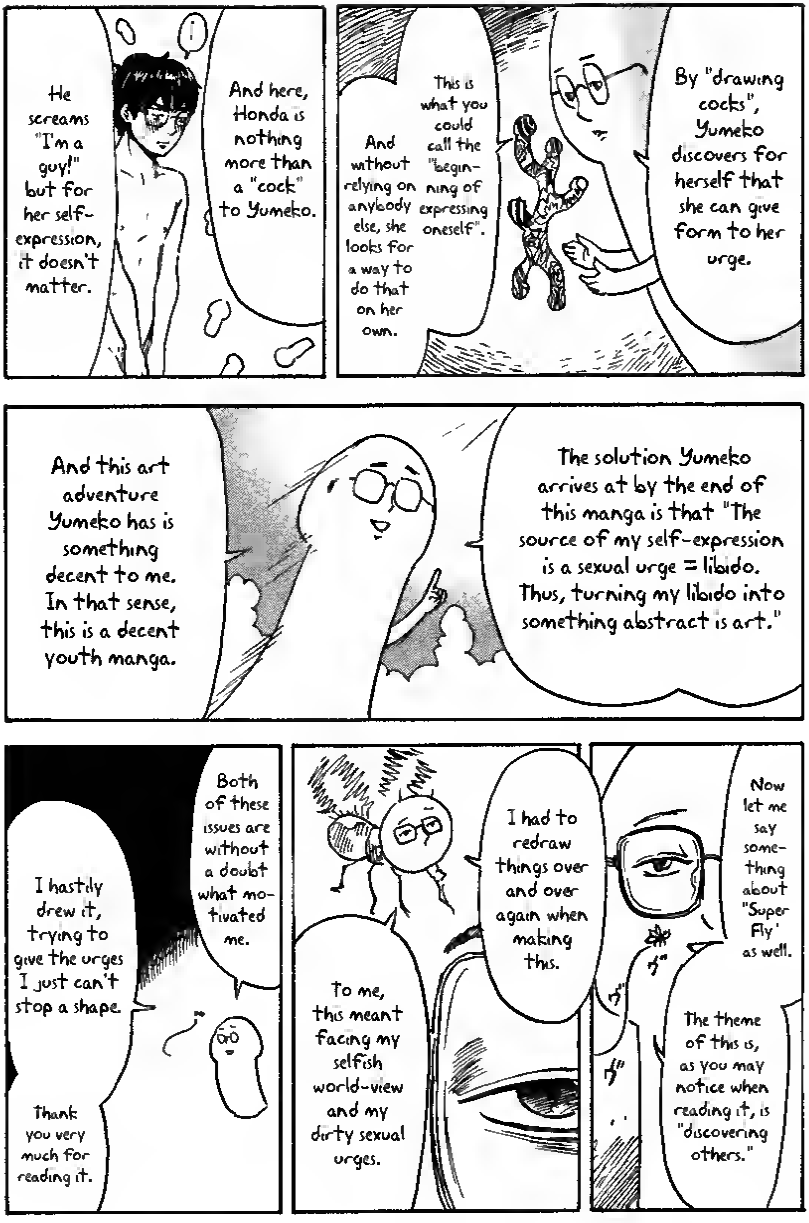
Let's meet again somewhere.
Anyway, thank you very much for reading.



UWAAAH!
You can see what's inside.



Hello everyone.
"Avant Garde Yumeko" is my first tankobon.
And I'm really happy that people will read it again now that it has been reprinted.
For the good kids!
The author's
解説
Explanation corner!
Exclusively for the new printing!
Let's begin!
"Avant Garde Yumeko" wasn't really something that I as the author had planned to become a "slightly perverted and stupid gag manga".
For me, this is a youth manga about a certain truth.
Yumeko has the urge to "see cocks". It's an urge that makes her body burn up.
Of course, the root of that is something sexual.
However, it is not connected to "love" or "sex" yet.
Her classmates' talk about sex is nothing more than "clues about cocks" to Yumeko.
Her urge doesn't have any direction yet, its energy is still looking for a place to go, shaking and trembling.
And this pure urge, by chance - or maybe inevitably - meets the action of "drawing pictures".



He screams "I'm a guy!" but for her self-expression, it doesn't matter.
And here, Honda is nothing more than a "cock" to Yumeko.
And without relying on anybody else, she looks for a way to do that on her own.
This is what you could call the "beginning of expressing oneself".
By "drawing cocks", Yumeko discovers for herself that she can give form to her urge.
And this art adventure Yumeko has is something decent to me. In that sense, this is a decent youth manga.
The solution Yumeko arrives at by the end of this manga is that "The source of my self-expression is a sexual urge = libido. Thus, turning my libido into something abstract is art."
Both of these issues are without a doubt what motivated me.
I hastily drew it, trying to give the urges I just can't stop a shape.
Thank you very much for reading it.
To me, this meant facing my selfish world-view and my dirty sexual urges.
I had to redraw things over and over again when making this.
Now let me say something about "Super Fly" as well.
The theme of this is, as you may notice when reading it, is "discovering others."
